Editorial Note: Celebrating Strength in Unity

In the words of the great Helen Keller, "Strength does not come from winning. Your struggles develop your strengths." It is with this profound ethos that the Society of Alumni Association of IIHT, Jodhpur, embarks on yet another milestone in its illustrious journey.

Since its inception on November 8th, 2017, our association has been a beacon of resilience and camaraderie, reflecting the enduring spirit of our alma mater, the Indian Institute of Handloom Technology, Jodhpur. Today, we proudly commemorate 25 years of graduation success for our esteemed 1996, 1997, and 1998 batches.

Central to our celebration is the release of the 2nd version of the "IIHT Jodhpur Alumni Directory," a testament to the collective achievements of our alumni spanning nearly three decades. This directory, meticulously updated with the professional details of our esteemed members, symbolizes our unwavering commitment to staying connected and fostering a sense of community.

The journey towards this momentous occasion has been marked by challenges and triumphs alike. From the initial meeting held on a winter day in January 2024 to the tireless efforts of our batch representatives and the collaborative spirit of our extended alumni network, every step has been a testament to our collective strength and determination.

Despite formidable obstacles, including the daunting task of gathering data from across the years, our institute stood by us, offering invaluable support and guidance. Through relentless dedication and unwavering resolve, we have achieved a remarkable 90% data collection rate, a testament to our shared commitment to excellence.

As we celebrate our achievements, we extend our deepest gratitude to all who have contributed to this endeavour – from our dedicated batch representatives to the faculty, management, and current students of IIHT, Jodhpur and especially to Dr. Sivagnanam KJ, Director Sir and Sh. Vikram Poonia. Together, we have surpassed expectations, with over 250 registrations and unprecedented levels of fund collection, reaffirming the enduring bond that unites us.

Yet, as we bask in the glow of our accomplishments, we recognize that this is but a stepping stone towards even greater horizons. Our journey continues, fueled by the strength of our unity and the promise of a brighter future ahead.

In closing, we extend our heartfelt thanks to all who have played a part in this remarkable journey. Together, we have demonstrated that true strength lies not in individual victories, but in the collective resilience of a community united in purpose and spirit.

MESSAGE

Handlooms have been a part of the Indian culture, a symbol of fashion and a part of economy since antiquity. Post-independence the native Handloom industry ravaged by British colonialism and industrialization was put to path of revival & prosperity through the efforts of successive governments.

Established in 1993, IIHT Jodhpur has played a significant role in providing technically qualified manpower with hands on expertise to the handloom industry. For more than 25 years, the students from IIHT, Jodhpur have served the handlooms and textiles industry alike, building a name for themselves and their alma mater.

Alumni play a pivotal role in the growth of an educational institution. Former students serve as nodes in the network between the institute, faculty, students and the industry. The sharing of experience and leverage provided by former students is a privilege.

The second IIHT, Jodhpur alumni meet, commemorating the achievements of the 1st, 2nd and 3rd batches after completing 25 years is a significant milestone, worthy of celebration. Such meets are portals to cherished memories and also serve an important purpose of strengthening bond with alma mater and giving back with the sense of gratitude.

I congratulate IIHT Jodhpur and the Society of Alumni Association of IIHT Jodhpur and all those associated with organizing the event.

Words from Beloved Teachers

Being the Ex-Director of the institute, it gives me immense pleasure to know that “Society of Alumni Association of IIHT Jodhpur” is going to organize "2nd IIHT Jodhpur Alumni Meet" on 6th April 2024 at IIHT Jodhpur, where in 25 years of graduation success with the achievement of first, second and third batches of this Institute will be celebrated.

An Alumni meet is organized to celebrate and refresh old relationships and form new ones. Moreover, Alumni of the Institute are like threads and in such meet, we can weave their precious memories again.

To the best of my knowledge, Alumni of above batches have proved themselves with their technical skills, ability, and knowledge for the upliftment of Textile and Handloom sectors. Most of them have occupied the highest position in various organizations, as a result of their hardworking, honesty and sincerity.

On this occasion, I wish a grand success for this meet and quite hopeful that this meet will inspire and motivate Alumni and students, presently studying in the institute after knowing the achievements of their seniors.

with regards,

V. K. Bhardwaj
Retd. Director, IIHT Jodhpur

Words from Beloved Teachers

I am delighted that the “Society of Alumni Association of IIHT Jodhpur” is again organizing a mega meet on 6th April 2024.

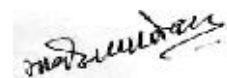

Jodhpur institute started its functioning in 1993 in a rented building located at Basni. In 1996, I visited Jodhpur Institute for the first time on official duty.

I was appointed as an external examiner to conduct the Annual Practical Examination of the final year DHT i.e. (first batch). The talent and dedication of the students of that batch towards their studies impressed me. Afterwards this trend continued for every passed-out batch. I feel privileged to be a part of this Institute during three tenures of my service.

There were many occasions and sweet memories which still linger in my mind. I extend my best wishes to all the members of the Society of Alumni Association IIHT Jodhpur for supporting their juniors. I appreciate these Alumni for offering professional growth opportunities to these budding technocrats in building their careers.

Good luck!

with regards,

M. V. Sapatnekar
Retd. Director, IIHT Bargarh

Words from Beloved Teachers

It gives me immense pleasure to learn that the past students of Indian Institute of Handlooms Technology, Jodhpur are celebrating “2nd IIHT Jodhpur Alumni Meet” year of their Institute. They are laying foundation of their “Society of Alumni Association of IIHT Jodhpur” to commemorate the achieved milestone. Started on “17th Sept, 1993”, IIHT, Jodhpur have now reached its youth not only in terms of Alumni but also in respect of its own building and latest infrastructure in respect of machinery and equipment.

I still remember the initial days when the Institute started functioning in the premises of Maruti Guargum Industries in Basni Industrial Area. The students were staying in barracks used as hostels with bare minimum facilities. The available infrastructure and faculty were also limited. In spite of all these issues, the students of initial batches have worked hard during their stay in the Institute. They have now reached to the helm and are enjoying commendable status in the industry. Many of them are heading their sections and regional offices of their organisations.

As part of the founding faculty members, I feel proud in witnessing the all-round progress made by Alumni & wish that they continue their efforts in respective fields to bring name and repute to the Institute. I also take this opportunity to convey my heartfelt wishes for the present students.

with regards,

Words from Beloved Teachers

It is matter of great pleasure and satisfaction that the “Society of Alumni Association of IIHT Jodhpur” is conducting its 2nd Meet on 06/04/2024. They have invited me and told that faculty members will be felicitated in the modern era, people to people interact, maintaining of human relations has become very difficult but my students remember me so much, some of them are still in contact with me, they speak to me and now they want to honour us, it’s definitely going to be memorable experience and moment too.

When we listen about students reaching top posts, shouldering very important responsibilities, duties in their respective firms, offices, companies. We feel very proud, and a feeling of contentment touches the heart.

In 1993 Sept., when I joined institute, I was the only lecturer and few staff members tech and non tech were there. Within one month the staff which had come from different WSC created almost 25 looms, warping machine etc. The task of bringing part time lecturers for subjects like TDC, English, Descriptive Engg. Physics was very difficult because the honorarium was meagre amount of Rs. 200 Per Month. Nobody was willing to accept such an amount (10-12 hours per month & Rs. 200/- only). Literally I had to plead many to accept this task and were assured by me that enhancement will take place in the honorarium in the near future and the department is considering our request in this matter.

The hot climate of Jodhpur was a new experience for all of us but even then, we did our work sincerely in those hostile climate conditions. In the premises itself we erected plywood partitioned rooms and started one hostel there and started mess managed by our students.

In the next year few staff members joined IIHT, many new machines came, chemistry lab was set up, Textile Chemistry Lab was also set up. Thus, by the end of 1999 we became self-sufficient as far as basic infrastructure to run the institute was concerned.

Now, after retirement when we sit idle at home it’s our favourite job to remember those days, those students, their peculiar habits, there talent in singing, music, drama and those colleagues with whom we spend our time and shared joy as well as odds of life.

At last, I would like to congratulate all my students for their feelings towards me and the noble idea of getting together once again. I pray to Almighty for their wellbeing as for as health and success in their respective fields.

With a deep sense of gratitude, I wholeheartedly bless them on this occasion and convey my regards to their parents for giving them good “Sanskar”.

I don’t know as Dronacharyas how we have performed but surely our Eklavyas and Arjun showed that they are outstanding in all aspects. All the best.

Words from Beloved Teachers

I came to know that Society of Alumni Association of IIHT Jodhpur is organizing 2nd Alumni Meet, 2024 in Jodhpur Institute campus. Since, I have been long associated with student community of institute here gives me immense happiness to see all young students in their different position through this meet.

It is an occasion for all Alumni to see there batchmates, teachers and their experiences during those days lived in IIHT Jodhpur.

The association not only gives platform to Alumni but to encourage present batch to share their experiences about professional life after completion of their studies.

Certainly, even bare minimum facility available in the institute first three batches of IIHT Jodhpur shows commendable performance in their respective fields and also support to other alumni of institute.

I wish you all a great success of 2nd Alumni Meet 2024 at IIHT Jodhpur and hope association will continue to organize more events and build good relations among Alumni of IIHT Jodhpur and passing out students.

16 सितम्बर 1993 को सूर्यनगरी जोधपुर में भारतीय हथकरघा प्रौद्योगिकी संस्थान का अंकुरण हुआ। अपनी स्नातक शिक्षा B.E. Tex (Tech) वर्ष 1992 में पूर्ण करने के उपरांत जून 1994 में मुझे प्रथम बार इस संस्थान के प्रवक्ता श्री एस. के. रोहिल्ला जी ने बुलवाया और कहा कि मुझे WTTC, FS, TDC तथा GAT पढ़ाना है। छात्र कुछ बड़े हैं, उद्वंड हैं, संभलकर रहना। पहली बार जब वह मुझे द्वितीय वर्ष के छात्रों की कक्षा में ले गए तो बाहर तक Old Spice की खुशबू आ रही थी। मुझे पता था वह एक After Shave Spray है। अंदर सभी छात्र Well Dressed, Clean Shave तैयार बैठे थे। रोहिल्ला जी के आश्चर्य का ठीकाना नहीं रहा, पजामे में आने वाले छात्र आज इतने तैयार कैसे। वह मेरा प्रथम दिन था। मैं भी डरी हुई थी but confident थी। बरसों तक अपने घर में एक Professor माँ को देखा था। जल्द ही सभी से मेरी दोस्ती हो गई। मेरी हमेशा कोशिश रहती थी कि प्रत्येक छात्र को मेरा पढ़ाया समझ आए, बस इसी कोशिश में मैं लगी चलती रही। वर्ष-दर-वर्ष बदलते गए, छात्र - छात्राएँ जुड़ते गए, आते गए जाते रहे। बहुत सी खट्टी-मीठी यादें जुड़ी हैं इस संस्थान से, यहाँ की दीवारों से, छात्र - छात्रायों से, कुर्सी - मेज से, अगर अपनी यादों के सिलसिले को रोका नहीं तो बह जाएँगे मैं भी आप भी।

Dedication, Hardwork & Honesty the key factors of success. ये मेरी माँ ने सिखाया था। इन्हीं key's से साल दर साल 2023 तक सारे ताले खोलती रही। अलग अलग प्रांत से आये अलग अलग रंग के छात्र - छात्रायों को संस्थान के ताने - बाने में बुनती रह, हमारी संस्कृति हथकरघा से परिचित कराती गई।

कुछ वर्ष हमारे साथ बिता कर ये छात्र दूसरा आसमान नापते चले जाते हैं। मुझे खुशी और गर्व है कि मेरे साहचर्य से यहाँ के परिवेश से उन्हें जो मिला वो सफलता की सीढ़ियाँ चढ़ने में उनका प्रदर्शक बना। आज ये छात्र हर क्षेत्र में बड़ी बड़ी उचाइयों को छू रहे हैं। जिस तरह एक नये आने वाले छात्र को हथकरघा से परिचित कराने के लिए हम हैं उसी तरह इन नये छात्रों के हौसले, संयम व सहयोग के लिए ये Alumni हैं, छात्र संगठन हैं।

ज़िंदगी है तो ख़्वाब है - ख़्वाब है तो मंजिलें हैं - मंजिलें हैं तो रास्ते हैं - रास्ते हैं तो मुश्किलें हैं - मुश्किलें हैं तो - Alumni हैं ना।

आप सभी के लिए

आप कर्म क्षेत्र के सिंह द्वार पर उपस्थित हैं - आपका कार्य प्रशस्त हो, लक्ष्य उन्नत हो, गति अबाध रहे - यही कामना है।

Mr. Abhay Kumar Singh, Social Worker, Barahiya Bihar

Email: abhayguddu74@gmail.com, Contact Number: 8318134142, 9431680800

IIHT, जोधपुर से पास होने के बाद, मैंने 1996 में भीलवाड़ा से अपना कैरियर शुरू किया, यहाँ संगम प्रोसेस, सोना प्रोसेस और आरपीएल में 5 साल काम करने के बाद, मैंने वाराणसी में अपना खुद का व्यवसाय शुरू किया, जिसमें मैंने परिवहन और ठेकेदारी का काम किया। पिछले कुछ वर्षों से, मैं अपने जन्म स्थल भरुहिया, बिहार के आस-पास के गाँवों की सामाजिक सेवा में लगा हुआ हूँ। वर्तमान में मैं अपने पंचायत के मुखिया के तौर पर 15000 लोगों का प्रतिनिधित्व कर रहा हूँ, जिसमें हमारे सभी शिक्षक के रूप में अभिभावक का बहुत बड़ा योगदान है। मैं मजबूती से विश्वास करता हूँ कि अगर कोई समाज के लिए कुछ अच्छा करने में सक्षम है, तो उसे घबराना नहीं चाहिए, "सेवा ही कर्मा" के नारे के अनुसार आगे बढ़ना चाहिए।
